

# Shire of Manjimup

Celebrating our Diversity

## Shire President's Message

"The Critical Horizons "Where is Agriculture Heading in the next 20 years?" forum to be held in Manjimup on Thursday 5 May is a unique opportunity for local farmers to get a better understanding of the opportunities and challenges facing our Agriculture sector into the future".

Council appreciates the significance of agriculture in our district. We are a critical food bowl for Western Australia and the sustainability of agriculture in this region is vital. It is important that traditional farming is retained and families encouraged to remain in the industry.

This forum, to be held on our doorstep, is an excellent opportunity for farmers. It is for this reason that the Shire of Manjimup will allocate funds from the Shires' Dry Season Assistance Package to subsidise the full \$120 registration fee for up to 50 farmers in the Shire of Manjimup to attend the forum.

I am also pleased to announce that the Shire will be holding an open forum on Wednesday 20 April 2011 to discuss future direction and opportunities for Manjimup".

With Easter holidays almost upon us, it is a timely reminder to stay safe on our roads, I would also acknowledge and express thanks to our volunteers who man the Driver Reviver locations. So please, be courteous and take care on the roads.
