

Shire of Manjimup

Celebrating our Diversity

Shire President's Message

"Critical Horizons Seminar" was held in Manjimup on the 5 May 2011 focusing on the future of Agriculture. The seminar was well attended and well received. Information presented included the need to be realistic but remain grateful and positive during difficult times, that the world population is expected to increase significantly over the next 30 years placing demand pressure on food, that Asia will continue to evolve as a major consumer although our producers will need to supply produce tailored to suit Asian tastes and importantly, that Asian consumers are concerned about where their food comes from and how clean & healthy it is – presenting us with a real impetus to brand our Southern Forests region as clean and green.

The Killarnee Targa South West Car Rally was held over the weekend in Manjimup & Pemberton. The event was a huge success and provided a substantial cash injection into the local economy. The competitor positions filled quickly and are highly sought after. Thank you to the volunteers & event organisers, Ross Tapper, Bob Schrader & Paul Moltoni.
