

Shire President's Message

Karri Cup

The sun shone on another highly successful Karri Cup over the Anzac Day long weekend. The event was set to make up for last's years COVID cancellation drawing in excess of 400 riders and their supporters to Northcliffe for the popular annual event.

I commend the Northcliffe Visitor Centre and the multitude of sponsors and volunteers who pull this event together every year.

The Karri Cup is one of the region's major annual events, bringing the community together, raising the profile of the area and boosting the economy.

The Hillbrook Market Day is a fabulous

addition to the event with a myriad of stalls and activities to entertain patrons, and along with this year's Pinot Picnic, our events are showcasing our region and produce to the greatest.

Annual Hard Waste Collection

The annual hard waste collection is taking place this month. This annual service is provided by the Shire for landowners who receive a regular weekly kerbside collection service.

Hard waste is defined as furniture and other household goods. In the interest of safety we ask that you only place your items on the kerb before your collection date.

New Aged Care Facility for Manjimup

Manjimup is set for a new aged care facility following the signing of a 42 year lease agreement between the Shire of

Manjimup and Baptistcare. Part of the former Warren District Hospital site, the vacant land is 20,147m² and will serve as a brand new modern aged care facility replacing "Moonya Residential Care" which Baptistcare have operated since 2001.

The new high aged care facility will now enter the planning phase and is hoped to be completed by 2024.

Sculpture in the Vines

Congratulations to Paul Fontanini, Carnage Creations, who recently won the Shire of Manjimup and Pemberton Arts Group Acquisitive Art Prize, for his piece "Looking to the Future, Remembering the Past", at the Annual Pemberley Sculptures in the Vine Exhibition. Paul's creation is striking, the Shire is yet to decide where to exhibit the piece.

Until next time stay well and safe....Paul

This year's construction work for North Walpole Road is all but complete with the road seal having been laid last week, with guide posts and signs to be installed. (Pictured before the seal went down.)
