Candidate Name	Sam KARAMFILES
Ballot Paper Name	KARAMFILES, Sam
Nominating for	Councillor for Central Ward
Election Type	Ordinary

KARAMFILES, Sam

I was born, raised and schooled in Manjimup. I am married with two children, I am a third generation builder of a seventy year old family owned business based in Manjimup. I am a property owner in Manjimup and I am a committed and passionate resident.

I believe a councillors role is to be the conduit from the local rate payers to the Shire's administration. To air opinion, to discuss and debate issues and to fight for the benefit of the community. I believe this representation is currently lacking amongst the sitting members as was clearly very evident with the recent rates increase.

I am a court accredited Justice of the Peace and a volunteer member of many local community groups. I pride myself on giving back to the community. I believe I am fair and reasonable. I am centrally located and committed to keeping an eye on Shire spending.
