## **SKOSS, Kim**

It has been my privilege to represent North Ward in the Shire of Manjimup in the past year. During this time I have endeavoured to be accessible to all rate payers and to advocate on their behalf when required at Council. I have accessed a number of the local government training modules to develop my understanding of the complexities of local government and and to enhance my capacity as a Shire Councillor..

I believe for the Shire of Manjimup to prosper it is necessary to strike a balance between economic development, sustaining our communities and the preservation of the natural environment A key role of a Councillor is to help set the strategic plan for the Shire that will meet the diverse future needs of the community. As a farmer, a community volunteer and a former teacher I have the background to make a positive contribution to this process.
