Profile

HERBERT Verrell

My experience in local government, and a reasonable education, equips me for the task.

During 15 years (1994-2009) in local government (South Africa) I always strove for excellence.

(2004) - Honorary title of Alderman conferred for excelling in local government.

(2005) - Elected to Overstrand Council (SA) as:

Executive Deputy Mayor;

Portfolio Chairman of Corporate Services, Community Development and Housing.

(2015-2019) - Elected Councillor for West Ward.

Previous experience provided a platform for participation in Shire Council and Committee meetings.

The greatest asset in the Manjimup district is its tourism potential.

Development of walking/bike trails - future attractions.

Some infrastructure projects (Pemberton) completed, drainage - Heritage precinct planned for 2019, others in the longer term.

Pemberton Revitalisation Committee, inoperative for 3 years now providing a platform for community engagement.

I have more to offer.
