SHIRE OF MANJIMUP

16 January 2019

A message from your Shire President Cr Paul Omodei

New Year

Welcome to 2019. The new year is a time to look back on the year gone, on all that we have achieved and to plan to be happier, healthier and better in the year to come.

A lot was achieved in 2018 with some of the Manjimup Town Centre Revitalisation Components being completed along with major projects in other towns including the drainage study and the resealing of Guppy Street and Hospital Avenue in Pemberton, the resealing of Middleton Road, the new playground at the Walpole Recreation Centre and the commencement of the Pioneer Park redevelopment, all the while maintaining 'business as usual' across the entire Shire.

We also received some great recognition, winning awards such as the Banners in the Terrace, WALGA Child Health Development Award and Home and Community Care being nominated as a finalist in the Prime Super Employer Excellence in Aged Care awards.

Exciting times are ahead in 2019 with the completion of the Manjimup Town Centre Revitalisation Project, incorporating the Southwest Energy Experience Building, the re-alignment of Perup and Graphite Roads and the transformation of Brockman Street in the Manjimup CBD. The Pemberton Sports Club will receive a new roof over the gym, Seven Day Road will see some bridge works, Northcliffe Recreation Centre will have a

playground extension and the Swarbrick Jetty some engineering works and the Pioneer Park project will continue.

Australia Day

The Shire's official Australia Day celebrations will be held in Pemberton this year. The presentation of Citizen of the Year Awards will occur at 10.30am at the Pemberton Pool. Join us to celebrate our National day and all that it means to be Australian.

Australia Day is about acknowledging and celebrating the contribution that every Australian makes to our country, from our Aboriginal and Torres Strait Islander people to those who have lived here for generations and those who have come from all corners of the world to call our country home.

School holiday activities

There is plenty to keep young people entertained over the holidays, with activities planned in Manjimup, Pemberton, Northcliffe and Walpole. Well done to our community members who organise these activities to keep our children entertained over the long Christmas break.

Prohibited Burning

We are now into the prohibited burning period. I strongly urge all residents to ensure your family knows your bush fire plan, that you have a survival kit ready to go, and have complied with the Shire's fire break and fuel hazard reduction notice.

Happy New Year.... Paul
