

**Shire President's Message**

2019. Your feedback will assist the Road Safety Council in preparing a recommended road safety strategy beyond 2020 for the WA government to consider.

**NAIDOC/Reconciliation Action Plan**  
The Aboriginal Flag was raised in front of the Administration Office to celebrate NAIDOC week and will now remain permanently in place. The Shire has commenced development of its first Reconciliation Action Plan (RAP). The aim of a RAP is to develop respectful relationships and create meaningful opportunities with Aboriginal and Torres Strait Islander peoples, with the ultimate aim being to advance the five pillars of reconciliation; race, relations, equality and equity, institutional integrity, unity and historical acceptance.

*Until next time...Paul*

**George re-united with family thanks to microchip**

George was reported missing after falling from the back of a ute and wandering onto a farm in Northcliffe, he was soon collected by the Rangers and taken to the Manjimup Dog Management Facility, he had a collar but no tags. Rangers scanned and successfully located a microchip in George. Entering the microchip number into the database showed that George had been reported missing. When the owners were contacted they said that "George had been missing for some time and they were beginning to lose hope". They were overwhelmed that the Rangers had him safe and headed straight over to collect him.

George was ecstatic to see his family and headed home to the Cranbrook Shire for a nice bath and a good meal.

This is a timely reminder to microchip your pets and ensure the details remain up to date. Failing this George may never have been re-united with family.

**Northcliffe co-location successful**

The outcome of a survey gauging borrowers' experiences in using the Northcliffe Public Library in its new location within the Northcliffe Visitor Centre (NVC) has overwhelmingly confirmed the value of public organisations collaborating to the benefit of their community.

In total, 65 people responded to the survey. The outcome was 56 responses in favour of the co-location and nine responses against, confirming that 86 per cent of respondents support the co-location. The Northcliffe Public Library was re-located into the NVC on 21 June 2018. The move increased the library's opening hours from 15 to 49 hours per week and improved the long-term sustainability of both organisations.

Survey respondents said they were enjoying the flexibility of library visits thanks to the extended hours. A number of respondents also expressed their appreciation at having access to the old library space as a meeting space for local community groups.
