

# EXPRESSION OF INTEREST

## Skate Ramps / Concrete Bollards

### Information & Application Package

#### Summary

Due to the completion of the new BMX, skate and scoot facility at Manjin Recreation Plaza, the moveable skate/BMX ramps at the Manjimup Recreation Grounds (corner Rutherford and Arnott Street, next to the Manjimup Indoor Sports Pavilion) are to be decommissioned. The Shire of Manjimup ('the Shire') is disposing of these ramps through an expression of interest process whereby local governments, community groups and interested individuals may submit an application to acquire the ramps.

Also offered are a number of concrete bollards, some of which have graffiti style art and others not.

#### Specifications

The ramps are originally from Rampage Designs. Refer to Appendix A for the details of the individual items that are available.

#### Terms and Conditions

- ) The successful applicant will be required to dismantle, collect and transport the ramps at their own expense. None of the items are concreted into the ground – they are either loosely positioned or bolted to the ground. All items are extremely heavy and a forklift and/or crane will be required.
- ) Applicants must be aware that the ramps are of a certain age and therefore no warranty will be offered by the Shire. The ramps will be decommissioned in an 'as-is' condition.
- ) The Shire will consider applications for individual ramps, however preference will be given to applicants who are prepared to take several or all of the items.
- ) The ramps must be removed within 3 months of the successful applicant being notified.

#### Expression of Interest Process

Whilst the expression of interest is open to all parties, preference will be given to Community Groups and Not for Profit organisations. These parties will not be required to pay the Shire any compensation for the ramps. Any ramps not requested by Community Groups / Not for Profit organisations will then be available to members of the wider public on a "best price basis".

After the closing date, all expressions of interest will be assessed by the Shire and the successful and unsuccessful applicants will be advised. The successful applicant will be required to liaise with the Shire to arrange acquisition and collection.

The items are available for inspection at any time; no appointment is required.

#### Closing Date

Expressions of interest must be submitted by 3pm Wednesday 5 June 2019.
