Born in Manjimup, lived in Eastbrook District all of my life.

Farmer, Councillor, President, Local Member for 19 years, Minister for Local Govt, Commissioner, L.G. Advisor, MSHS Board Chairman.

Am passionate about our District and continue to fight for us without fear or favour.

My understanding of Local, State and Federal Government policies is extensive with 40 years of community service which will ensure that we will receive the best outcomes from our Governments.

I believe it is important that a councillor & Shire President is experienced in community issues and can dedicate the time to carry out those responsibilities.

I am able to commit all of my time to Local Government as I have done so in the past to represent the Manjimup CENTRAL WARD.
