I have lived in the Shire of Manjimup for 23 years and I am passionate about creating an accessible and inclusive community for all.

As the mother of a teenager I have an interest in issues impacting our youth, in particular mental health, jobs and training.

I support sustainable economic development of our region to provide employment for current and prospective residents.

For the past 4 years as Coastal Ward Councillor I have worked with the Shire and residents to represent our community through service on Management Committees and Advisory Groups including Access & Inclusion, Reconciliation Action Plan, Southern Forests Alcohol and Other Drugs, Education Visions, Roads Infrastructure, Northcliffe Town Centre Revitalisation/Activation, Northcliffe Town Hall and Northcliffe Forest Park.
