## SONTER, Elizabeth

I have lived in Manjimup for over two years and worked for the local tourism association as the Marketing Manager and Acting CEO. I live with my partner, Dylan Starkie, on his family farm in Middlesex.

I believe in providing the individual, the household, the business and the community service with the resources, support, and creativity to foster growth in our region. I enjoy robust debates about important issues and will always have an ear for my constituents in order to achieve the best outcomes for our region.

I will strive for considerate spend of funds and more investment in the community as a priority, especially in disability services, community services (such as libraries and fitness centres), healthcare, education, and everyday essentials around safety and connectivity.
