# SHIRE OF MANJIMUP

# FINANCIAL REPORT

# FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2011

LOCAL GOVERNMENT ACT 1995 LOCAL GOVERNMENT (FINANCIAL MANAGEMENT) REGULATIONS 1996

# Statement by Chief Executive Officer

The attached financial report of the Shire of Manjimup, being the annual financial report, supporting notes and other information for the financial year ended 30 June 2011, in my opinion, are properly drawn up to present fairly the financial position of the Shire of Manjimup at 30 June 2011, and the results of the operations for the financial year then ended, in accordance with the Australian Accounting Standards and comply with the provisions of the Local Government Act 1995 and the regulations under that Act.

Signed on the

Jeremy Hubble CHIEF EXECUTIVE OFFICER

19 000000 2011

#### 1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are:

#### a) Basis of Preparation

The financial statements are general purpose financial report which has been prepared in accordance Australian Accounting Standards (as they apply to local governments and not for profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. The report has also been prepared on the accrual basis under the convention of historical cost accounting modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### Critical Accounting Estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

#### b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 14 to these financial statements.

#### c) Goods & Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables in the Statement of Financial Position are stated inclusive of applicable GST.

#### d) Cash and Cash Equivalents

Cash and cash equivalents in the Statement of Financial Position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts. Bank overdrafts are included as short term borrowings in current liabilities on the Statement of Financial Position.

#### e) Trade and Other Receivables

Trade receivables, which generally have 30- 90 day terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less an allowance for any uncollectible amounts.

Collectability of trade receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

# (f) <u>Inventories</u>

#### General

Inventories are valued at the lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Inventories held from trading are classified as current even if not expected to be realized in the next 12 months.

# Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development and interest incurred on the financing of that land during its development. Interest and holding charges incurred after development is complete are recognised as expenses.

Revenue arising from the sale of property is recognised in the Statement of Comprehensive Income as at the time of signing a binding contract of sale.

Land held for resale is classified as current except where it is held as non-current based in Council's intentions to release for sale.

# g) Fixed Assets

# Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Municipality includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

#### Revaluation

Certain assets may be revalued on a regular basis such that the carrying values are not materially different from fair value. For infrastructure and other asset classes where no active market exists, fair value is determined to be the current replacement cost of an asset less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefit of the asset.

Those assets carried at revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

#### Land Under Roads

"In Western Australia, all land under roads is Crown land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognize any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16 (a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16 (a)(i) prohibits local governments from recognizing such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

#### h) Depreciation of Non-Current Assets

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner that reflects the consumption of the future economic benefits embodied in those assets.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation percentages are:

Land	0%	Roads	2.5%
Buildings	4%	Footpaths	2%
Plant and Equipment	5% - 40%	Drainage	1.25%
Light Vehicles	15%	Bridges	1.67%
Furniture and Equipment	13% - 27%	Other Infrastructure	4 - 5%

# i) Investments and Other Financial Assets

#### Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

#### Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or at cost.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- a) the amount in which the financial asset or financial liability is measured at initial recognition;
- b) less principal repayments;
- c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method; and
- d) less any reduction for impairment.

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

# (i) Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

#### (ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period (classified as non-current assets).

#### (iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity.

Held-to-maturity financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period (classified as current assets).

If the Council were to sell other than an insignificant amount of held-to-maturity financial assets, the whole category would be tainted and reclassified as available-for-sale.

# (iv) Available-for-sale financial assets

Available-for-sale financial assets, are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

Available-for-sale financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period (classified as current assets).

#### (v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

#### Impairment

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

# j) <u>Impairment</u>

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an estimate of the recoverable amount of the asset is made in accordance with AASB 136 "Impairment of Assets" and appropriate adjustments made.

An impairment loss is recognised whenever the carrying amount of an asset or it's cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the Statement of Comprehensive Income. The Shire of Manjimup has no assessed impairment loss to the 30<sup>th</sup> June 2011.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

#### (i) Buildinas

Buildings are recognised at their fair value.

The last independent assessment of fair value was undertaken in May 2009.

Buildings acquired after this date have been recognised at cost.

#### (ii) Plant and equipment

In accordance with the provisions of AASB 136 relating to not for profit entities, the future economic benefits of plant and equipment are not primarily dependent on the plant and equipment's ability to generate net cash inflows and if deprived of the plant and equipment, the Shire would replace its future economic benefits.

Accordingly, value in use is the depreciated replacement cost or the depreciated original cost.

In considering the depreciated replacement cost, a review of the fixed asset register for plant and equipment indicated items were recognised at their depreciated original cost. Original cost tends to be lower than replacement cost.

# (iii) Furniture and equipment

In accordance with the provisions of AASB 136 relating to not for profit entities, the future economic benefits of furniture and equipment are not primarily dependent on the furniture and equipment's ability to generate net cash inflows and if deprived of the furniture and equipment, the Shire would replace its future economic benefits.

Accordingly, value in use is the depreciated replacement cost or the depreciated original cost.

In considering the depreciated replacement cost, a review of the fixed asset register for furniture and equipment indicated items were recognised at their depreciated original cost and that many items have been fully depreciated.

Whilst market value on items such as desks, computers etc may in some instances be lower than the written down values, the original cost tends to remain at or lower than the current replacement cost.

It was further noted that group 3 includes the Claude Hotchin art collection which is likely to have appreciated in value rather than depreciated.

#### (iv) Tools

In accordance with the provisions of AASB 136 relating to not for profit entities, the future economic benefits of tools are not primarily dependent on the tools ability to generate net cash inflows and if deprived of the tools, the Shire would replace its future economic benefits.

Accordingly, value in use is the lower of the depreciated replacement cost or the depreciated original cost.

Given that the total written down value of this asset class is <u>not material</u>, the depreciated original cost has been applied without any consideration of the likely replacement cost.

#### (v) Land

Land is recognised at fair value.

The last independent assessment of fair value was undertaken in May 2010. Land acquired after this date has been recognised at cost. (vi) Infrastructure

Infrastructure has been recognised at fair value.

Infrastructure Assets were revalued in 2009/2010. In the 2006/2007 financial year Council's ROMAN's data base was reviewed by an external consultant in conjunction with Council's Technical Services and the resulting revaluation posted through the accounts. In 2009/2010 a further refinement of Council's ROMAN's data base was carried out by Council's Technical Services department and the appropriate adjustments made.

# k) Trade and Other Payables

Trade payables and other payables are carried at amortised cost. They represent liabilities for goods and services provided o the Municipality prior to the end of the financial year that are unpaid and arise when the Municipality becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

# I) Employee Entitlements

The provisions for employee benefits to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

#### (i) Wages, Salaries, Annual Leave and Long Service Leave (Short Term Benefits)

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount that the Municipality has a present obligation to pay resulting from employees' services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the Council expected to pay and includes related on-costs.

# (ii) Long Service Leave (Long Term Benefits)

The liability for long service leave is recognized in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit cost method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where Council does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

#### (iii) Superannuation & Workers Compensation

Council currently accrues superannuation at 9% and workers compensation at 3% of the total provision for Long Service Leave.

# m) Provisions

Provisions are recognised when: The Council has a legal or constructive obligation as a result of past events: it is more likely than not that an outflow of resources will be required to settle the obligation: and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

#### n) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except or land held for resale where it is held as non-current based on Council's intentions to release for sale.

#### o) Interest bearing loans and borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the balance date.

#### **Borrowing Costs**

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalized as part of the cost of the particular asset.

#### p) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

#### q) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and these conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 29. That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operations for the current reporting period.

# r) Superannuation Fund

#### Normal

The Municipality contributes to the Local Government Superannuation Scheme to match contributions to the fund made by employees. Provision has been made for contribution for those employees who satisfy contribution requirements.

#### Occupationa

The Municipality contributes to the Occupational Superannuation fund managed by National Mutual and currently contributes at the rate of 9%, in accordance with the Superannuation Guarantee Legislation. Provision has been made in this budget for contributions for all employees over the minimum threshold.

#### s) Estimation of Fair Value

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets is based on quoted market prices at balance date.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. Council uses a variety of methods and makes assumptions that are based on market conditions existing at each balance date. These include the use of recent arm's length transactions, reference to other instruments that are substantially the same, discounted cash flow analysis, and option pricing models making maximum use of market inputs and relying as little as possible on entity-specific inputs.

Quote market prices or dealer quotes for similar instruments are used for long-term debt instruments held. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments to trade receivables and payables are assumed approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

#### t) Rounding off Figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

#### u) Comparative Information

Where required, comparative figures have been adjusted to conform with changes in presentation of the current financial year.

# v) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

# (w) New Accounting Standards and Interpretations for Application in Future Periods

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet effective have not been adopted by the Council for the annual reporting period ending 30 June 2011.

Council's assessment of these new standards and interpretations is set out below:

	Title and Topic	Issued	Applicable (*)	Impact
(i)	AASB 9 – Financial Instruments	December 2009	01 January 2013	Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Council, it is not anticipated the standard will have any material effect.
(ii)	AASB 124 – Related Party Disclosures	December 2009	01 January 2011	Nil – It is not anticipated the Council will have any related parties as defined by the Standard.
(iii)	AASB 1053 - Application of Tiers of Australian Accounting Standards	June 2010	01 July 2013	Nil - Due to its nature and statutory requirements the Council will be deemed a Tier 1 entity and will continue to prepare general purpose financial statements.
(iv)	AASB 2009 -12 Amendments to Australian Accounting Standards [AASB 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 & Interpretations 2, 4, 16, 1039 & 1052]	December 2009	01 January 2011	Nil – The revisions embodied in this standard relate to standards which do not apply to local government (ie AASB8) or are largely editorial in nature and will have minimal effect (if any) on the accounting practices of the Council.
(v)	AASB 2009— 11 Amendments to Australian Accounting Standards arising from AASB 9 [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12)	December 2009	1 January 2013	Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above).
(vi)	AASB 2010 - 2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements [AASB 1, 2, 3, 5, 7, 8, 101, 102, 107, 108, 110, 111, 112, 116, 117, 119, 121, 123, 124, 127, 128, 131, 133, 134, 136, 137, 138, 140, 141, 1050, & 1052 and Interpretations 2, 4, 5, 15, 17, 127, 129 & 1052]	June 2010	1 July 2013	Nil - None of these amendments will have any effect on the financial report as the standard does not apply in the case of general purpose financial statements.
(vii)	AASB 2010 - 4 Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project [AASB 1, 7, 101, 134, and Interpretation 13]	June 2010	1 January 2011	Nil - The revisions are part of the AASB's annual improvement project to help ensure consistency with presentation, recognition and measurement criteria of IFRSs. It is not anticipated these will have any effect on the Council.
(viii)	AASB 2010 - 5 Amendments to Australian Accounting Standards [AASB 1, 3, 4, 5, 101, 107, 112, 118, 119, 121, 132, 133, 134, 137, 139, 140, 1023 & 1038 and Interpretations 112, 115, 127, 132 & 1042]	October 2010	01 January 2011	Nil - The revisions embodied in this standard are largely editorial in nature or relate to standards not applicable to the Council and will have minimal effect (if any) on the accounting practices of the Council.
(ix)	AASB 2010 - 6 Amendments to Australian Accounting Standards - Disclosures on Transfers of Financial Assets [AASB 1 & 7]	November 2010	01 July 2011	Nil - The revisions embodied in this standard amend disclosures required on transfers of financial assets. The Council is not expected to have any qualifying transfers.
(x)	AASB 2010 — 7 Amendments to Australian Accounting Standards arising from AASB 9 (December 2010) [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 137, 139, 1023 & 1038 and Interpretations 2, 5, 10, 12, 19 & 127)	December 2010	01 January 2013	Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above).

#### 1. Significant Accounting Policies (Continued)

#### (w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

	Title and Topic	Issued	Applicable (*)	Impact
(xi)	AASB 2010 - 8 Amendments to Australian Accounting Standards - Deferred Tax: Recovery of Underlying Assets [AASB 112]	December 2010	01 January 2012	Nil - None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council.
	AASB 2010 - 9 Amendments to Australian Accounting Standards - Severe Hyperinflation and Removal of Fixed Dates for First-time Adopters [AASB 1]	December 2010	01 July 2011	Nil - None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council.
	AASB 2009– 14 Amendments to Australian Interpretations – Prepayments of a Minimum Funding Requirement [AASB Interpretation 14]	December 2009	01 January 2011	Nil - None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council
	AASB 2010 - 10 Further Amendments to Australian Accounting Standards - Removal of Fixed Dates for First-time Adopters [AASB 2009 - 11 & 2010 - 7]	December 2010	01 January 2013	
	Notes:			

(\*) Applicable to reporting periods commencing on or after the given date.

#### (x) Adoption of New and Revised Accounting Standards

During the current year, the Council adopted all of the new and revised Australian Accounting Standards and Interpretations which became mandatory and which were applicable to its operations.

These new and revised standards were:

AASB 2009 - 5

AASB 2009 - 8

AASB 2009 - 10

AASB 2009 – 13 AASB 2010 – 1

AASB 2010 - 3

Interpretation 19

The standards adopted had a minimal effect on the accounting and reporting practices of the Council as they were either largely editorial in nature, were revisions to help ensure consistency with presentation, recognition and measurement criteria of IFRSs or related to topics not relevant to operations.

# Movements in Carrying Amounts

Council have adopted a policy of re-valuing roads with sufficient regularity to ensure the carrying amount of each road asset is fairly stated at reporting date. This policy also accords with AASB.

	Roads	Footpaths	Drainage	Bridges	Others	Total
Balance at the beginning of the year	190,510,215	1,073,910	11,639,366	17,872,596	5,324,171	226,420,258
Reclassification	-	-	-	-	63,635	63,635
Additions	2,094,853	193,580	-	-	506,559	2,794,991
Disposals	-	-	-	-	-	-
Revaluation increments/(decrements)	-	-	-	-	-	-
Impairment (losses)/reversals	-	-	-	-	-	-

There were no changes to the purpose of reserves during the 2010/2011 financial year.

# (c) RESERVES - ASSET REVALUATION

During the year infrastructure assets were revalued to the "fair valuation basis" in accordance with Accounting Standard AASB116. Infrastructure was revalued in accordance with revised ROMANS determinations following an external review in June 2007, a further review was carried out by Council's Technical Services department with some anomalies from the external review rectified. Buildings were independently valued in May 2009 and Land May 2010, these values were used for fair value replacement and current fair value.

Other Property & Services	**	_		-
-	TOTAL	1,122,090	975,292	1,104,266

There were no amendments made to fees or charges during the financial year.

# 18. <u>DISCOUNT OR INCENTIVE FOR EARLY PAYMENT OF RATES</u>

In accordance with Regulation 42, the following information is disclosed.

# (a) Discount

The 2010/2011 budget did not provide a discount for early payment of rates.

Item	Budget	Actual	Actual
	2010/2011	2010/2011	2009/2010
	\$	\$	\$
Early Payment Discount	0	0	0

# (b) Waiver or Concession

Each waiver or concession, should any be required to be addressed, shall be reported to Council on an individual basis pursuant to Section 6.12 Local Government Act 1995.

Item	Budget 2010/2011	Actual 2010/2011	Actual 2009/2010
	\$	\$	\$
Penalty Interest	0	0	0
Rates - Rubbish	0	0	0
Hire Fees	0	0	0
Concessions - Sporting Groups	39,474	41,276	36,864
TO <sup>*</sup>	TAL 39,474	41,276	36,864

# (c) Incentive

Council, through external sponsorship, offers incentive prizes to all eligible ratepayers who make payment of rates in full by the due date. The cost to Council of such incentives was NIL.

Incentive Prize	Value
AquaCentre Family 6 Month Pass	\$ 436
City & Regional Fuels Voucher	\$ 300
Overnight Accommodation Goodearth Hotel Perth	\$ 280
2 x 2 tickets to WA Symophony Orchestra concert	\$ 150

Incentive prize winners were determined by random selection from among eligible ratepayers, via a computer program.

# 19. LATE PAYMENT INTEREST

In accordance with Regulation 43, the following information is disclosed.

#### (a) Interest on Rates

During the financial year, interest applied to late payment of rates, including rubbish rates and waste disposal rates. Such interest rate was set at 11%, and applied to general and rubbish rates. Interest is applied 35 days from the date of issue of notice.

Item	Budget 2010/2011 \$	Actual 2010/2011 \$	Actual 2009/2010 \$
Interest on Rates	32,000	59,768	43,629
TOTAL Interest on Rates	32,000	59,768	43,629

# (b) Interest on Other Monies

Interest under Section 6.13 Local Government Act 1995 was not applied to any other class of debtor for the 2010/2011 financial year. There was no amount budgeted for 2010/2011.

# (c) Instalment Option - Rates

The option to pay rates by four equal instalments pursuant to Section 6.45 Local Government Act 1995 is granted to ratepayers for general rates only. The following is a schedule of instalment due dates:

First Instalment	24 September 2010
Second Instalment	30 November 2010
Third Instalment	31 January 2011
Fourth & Final Instalment	31 March 2011

#### (d) Interest Rate for Instalments

The rate of interest applicable to payments by instalments pursuant to Section 6.45(3) Local Government Act 1995 is 5.5%, to be applied to the second, third and fourth instalments.

Item	Budget 2010/2011	Actual 2010/2011	Actual 2009/2010
Interest on Instalments	24,000	24,153	24,088
TOTAL Interest for Instalments	24,000	24,153	24,088

# (e) Administration Charge for Instalment Option

An administration charge was applied at the rate of \$17.00 per assessment, pursuant to Section 6.45(3) Local Government Act 1995, divided equally on the second, third and fourth instalments.

Item	Budget 2010/2011	Actual 2010/2011	Actual 2009/2010
Administration Charge on Instalments	23,000	23,994	22,196
TOTAL Charges for Instalments	23,000	23,994	22,196

# 20. FEES, EXPENSES & ALLOWANCES (Council Members & President)

In accordance with Regulation 44, the following schedule sets out fees payable to Councillors, Shire President and Deputy President for the financial year.

Nature of Fee, Expense or Allowance	Budget 2010/2011	Actual 2010/2011	Actual 2009/2010
Attendance Fees – Shire President	7,000	7,000	7,000
Attendance Fees - Councillors	35,000	35,000	32,760
Local Government Allowance - President & Deputy	20,955	20,955	24,902
Travelling/Accommodation Allowance	15,000	14,794	20,863
Telecommunications Allowance	13,200	13,200	14,758
TOTAL	91,155	90,949	100,283

# 21. TRADING UNDERTAKINGS

In accordance with Regulation 45, the Shire of Manjimup did not enter into any Trading Undertakings for the year ended 30 June 2011.

# 22. MAJOR LAND UNDERTAKINGS

In accordance with Regulations 46 and 47, the Shire of Manjimup did not enter into any Major Land Undertakings for the year ended 30 June 2011.

# 23. BORROWINGS

The following information is disclosed in accordance with Regulation 48.

#### (a) Overdraft Borrowings

No amount of overdraft is brought forward from 2009/2010, and no overdraft was carried forward at year-end. No overdraft facility was used during the year ended 30 June 2011.

# Mortgage over Council Income

Shire of Manjimup has provided security for loans as listed in Note 23(g) by way of "general funds" only as stated in section 6.21 of the Local Government Act.

# (b) Loans to be Re-Financed - Section 6.20 Local Government Act 1995

There were no loans that required re-financing in the 2010/2011 Financial Year.

# (c) Self Supporting Loans

The following repayments were made from sources other than rates.

Loan#	Balance	New Borrowings	Interest	Principal	Annual Liability	Balance	Interest Accrual

# 27. Contingencies

There have been no Contingent Liabilities indentified or provided for at the 30th June 2011

During the 2010/2011 financial year issues arose and costs were incurred for the repair of the Manjimup AquaCentre roof. The costs were paid for by the Shire of Manjimup but warranty exists with the supplier, this warranty is in dispute and legal action may be required to recover the costs incurred to the 30th of June 2011, and costs associated with the total roof replacement set down in the 2011/2012 adopted budget. No contingent Asset is provided for at the 30th June 2011

# 28. <u>Disclosure of Annual Salaries</u>

In Accordance with Regulation 19(b) of Local Government Act (Administration) Regulations 1996, detailed below is the number of employees entitled to an annual salary of \$100,000 or more. Salary represents the total salary amount prior to any salary sacrificing arrangement or any other deductions

Salary Range	2010/2011 Actual #	2009/2010 Actual #
\$100,000 - \$109,999	2	1
\$110,000 - \$119,999	0	0
\$120,000 - \$129,999	0	0
\$130,000 - \$139,999	0	1
\$140,000 and above	1	0

# 33. ECONOMIC DEPENDENCY

A significant portion of revenue is received by way of grants from the State and Federal Government. The total of grant revenue from government sources is disclosed with the Income Statement.

# 34. FINANCIAL RISK MANAGEMENT

Council's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Council's overall risk management focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Council held the following financial instruments at balance date:

	Carrying Value		Fair Value	
	2011	2010	2011	2010
	\$	\$	\$	\$
Financial Assets				
Cash and cash equivalents	5,490,966	3,257,754	5,490,966	3,257,754
Receivables	964,929	1,353,290	922,919	1,319,064
	6,455,895	4,611,044	6,413,885	4,576,818
Financial Liabilities				
Payables	1,004,365	784,417	1,046,375	818,642
Borrowings	5,125,417	5,614,802	5,125,417	5,614,802
	6,129,782	6,399,219	6,171,791	6,433,445

Fair value is determined as follows:

<sup>-</sup> Cash and Cash Equivalents, Receivables, Payables - estimated to the carrying value which approximates net market value.

<sup>-</sup> Borrowings – estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

#### 34. FINANCIAL RISK MANAGEMENT (Continued)

#### (a) Cash and Cash Equivalents

Financial assets at fair value through profit and loss

Available-for-sale financial assets

Held-to-maturity investments

Council's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash investments portfolio with the assistance of independent advisors (where applicable). Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with the investments is price risk – the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk – the risk that movements in interest rates could affect returns.

Another risk associated with cash and investments is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by diversifying its portfolio and only purchasing investment with high credit ratings or capital guarantees. Council also seeks advice from independent advisers (where applicable) before placing any cash and investments.

	30-Jun-11	30-Jun-10	
	\$	\$	
Impact of a 1% (*) movement in interest rates on cash and investments:	h		
- Equity	54,909	32,578	
- Statement of Comprehensive Income	54,909	32,578	

#### Notes:

1) Sensitivity percentages based on management's expectation of future possible market movements.

Recent market volatility has seen large market movements for certain types of investments.

# (b) Receivables

Council's major receivables comprise rates and annual charges and user charges and fees. The major credit risk associated with these receivables is credit risk – the risk that the debts may not be repaid. Council managed this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rate by the due date through incentives.

Credit risk on rates and annual charged is minimised by the ability of Council to recover these debts as secured over the land – that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to the Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtor.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	30-Jun-11	30-Jun-10
Percentage of Rates and Annual Charges		
- Current	75.20%	73.41%
- Overdue	24.80%	26.59%
Percentage of Other Receivables		
- Current	73.23%	85.99%
- Overdue	26.77%	14.01%

# 34. FINANCIAL RISK MANAGEMENT (Continued)

#### (c) Payables

#### Borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligation as and when they fall over due. Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of Council's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

		Due within 1 year	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carying values
		\$	\$	\$	\$	\$
	<u>2011</u>					
Payables		1,004,365	0	0	1,004,365	1,004,365
Borrowings		746,450	3,091,577	3,155,606	6,993,633	5,125,417
		1,750,815	3,091,577	3,155,606	7,997,998	6,129,782
	<u>2010</u>					
Payables		784,417	0	0	784,417	784,417
Borrowings		836,119	3,253,732	3,739,901	7,829,752	5,614,804
		1,620,536	3,253,732	3,739,901	8,614,169	6,399,221

Borrowings are also subject to interest rate risk –the risk that movements in interest rates could be adversely affect funding costs. Council manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of the negotiation.

The following tables set out the	carrying amount, by maturity, of the financial instruments exposed to interest rate risk:					Weighted Average Effective		
	<1 year	>1<2 years	>2<3 years	>3<4 years	>4<5 years	>5 years	Total	Interest Rate
	\$	\$	\$	\$	\$	\$	\$	%
Year Ended 30 June 2011								
Borrowings								
Fixed Rate								
Debentures	82,841	35,145	33,928	61,107	92,544	4,819,852	5,125,417	6.27%
Weighted Average								
Effective Interest Rate	6.21%	6.21%	6.20%	6.20%	6.28%	6.27%		
Year Ended 30 June 2010								
Borrowings								
Fixed Rate								
Debentures	126,728	275,393	74,274	53,301	44,336	5,040,772	5,614,804	6.27%
Weighted Average								
Effective Interest Rate	6.21%	6.21%	6.20%	6.20%	6.28%	6.27%		

# (d) Interest Rate Risk

Council has no material interest rate risk at balance date on the basis that all loans are fixed interest rated. Accordingly, sensitivity analysis has has not been performed on interest rate risk.

# INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying financial report of the Shire of Manjimup, which comprises the statement of financial position as at 30 June 2011, the statement of comprehensive income, statement of changes in equity, the rate setting statement, and the statement of cash flows for the year ended 30 June 2011, a summary of significant accounting policies and other explanatory notes, and the Chief Executive Officer's statement.

# Council's responsibility for the financial report

The Council of the Shire of Manjimup is responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations), and the Local Government Act 1995, and for such internal control as Council determines necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

# Auditor's responsibility

Our responsibility is the express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks and material misstatements of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of accounting policies used and the reasonableness of accounting estimates made by Council, as well as evaluation the overall presentation of the financial report.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Local Government Act 1995 Part 6 and Australian Accounting Standards so as to present a view which is consistent with our understanding of the Shire of Manjimup's financial position, the results of its operations, its changes in equity and its cash flows.

# Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

# Opinion

In our opinion, the financial report of the Shire of Manjimup:

- i. gives a true and fair view of the Shire of Manjimup's financial position as at 30 June 2011 and of its performance for the financial year ended 30 June 2011; and
- ii. complies with Australian Accounting Standards (including the Australian Accounting Interpretations); and
- iii. are prepared in accordance with the requirements of the Local Government Act 1995 Part 6 (as amended) and Regulations under that Act.

# **Statutory Compliance**

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- i. There are no material matters that in our opinion indicate significant adverse trends in the financial position or the financial management practices of the Shire of Manjimup.
- ii. There are no other matters indicating non-compliance with Part 6 of the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulations 1996 (as amended) or applicable financial controls of any other written law were noted during the course of our audit with exception of the following:
  - Council adopted the 2010 Compliance Audit Return on the 24 March 2011; however the Compliance Audit Return was not submitted to the Department by 31 March 2011 as required by section 15(1) of the Local Government (Audit) Regulations 1996.
- iii. All necessary information and explanations were obtained by us.
- iv. All audit procedures were satisfactorily completed during our audit.
