A message from our Shire President Cr Paul Omodei

Council Update

We welcome Kim Skoss as Councillor for the North Ward until the next ordinary election to be held in October 2019. Kim will be sworn in at the Council Meeting to be held on 6 September 2018.

To those who were not elected, I hope that you will continue to contribute to the community in other ways and I look forward to the opportunity for Council to work with you in the future.

State Timber Museum Re-opening

I was honoured to re-open the State Timber Museum on Thursday 9 August. The history of the timber industry in this District is interwoven into the culture of our towns and people.

The building refurbishment celebrates the form and features of this significant and individual building. The new exhibition takes the old museum one step further and explores the history, technology and people of Western Australia's first major industry.

Local Government Week Awards

The Shire had a successful week at the recent Local Government Convention held at the Perth Exhibition and Convention Centre, coming away with two awards.

East Manjimup Primary School in conjunction with the Shire won the Junior Primary Category of the Annual Banners in the Terrace competition with their colourful banner "ready and relevant".

We also picked up an award in the Children's Environment and Health Local Government Policy Category. The Child Health and Development Award was presented to Sharon Wilkinson on behalf of the Shire of Manjimup Youth Network, for her outstanding contribution to the organisation of the Young Women Empowered Expo held in Manjimup during March 2018.

Until next time Paul

Department of Parks and Wildlife donating time and materials to deliver "log landing".

Agricultural Display in Manjimup Heritage Park

The Shire is finalising the interpretation for the Agricultural Shed permanent exhibition, we are seeking snippets to break up our display and are requesting community input.

A major part of the display is a 'crate wall' that will display current and historical produce from the region.

The wall will include a lot of information on the various types of produce, but we would like to break up the display with small pieces of interest such as facts, quotes and recipes.

We are looking for contributions of facts, quotes or recipes to add to the display. We can't guarantee that all will be included but it would be great to have a few to choose from, particularly anything that is 'famous' in any family, region or industry.

Is your family in the agriculture industry?

We need your help!

North Ward Election

Congratulations to Kim Skoss, who was elected as Councillor for the North Ward at the extraordinary election held on 17 August 2018.
