## SHIRE OF MANJIMUP

10 April 2019

### A message from your Shire President Cr Paul Omodei

#### Karri Valley Triathlon

Another very successful Karri Valley Triathlon was staged in the Pemberton area on the weekend of 23 and 24 March, a great opportunity for residents visitors and competitors to enjoy our landscape and breathtaking Southern Forests region. Well done to the organisers of this annual event.

#### Wellness and Lifestyle Expo

Manjimup Home and Community Care held their annual Wellness and Lifestyle expo on Monday 1 April 2019. As always the expo provided a wealth of information on services and groups that can support you in living a healthy, happy and active lifestyle. The expo was held at the Wellness and Respite Community Centre in Manjimup.

#### Regulated Burning times

With Summer now giving way to Autumn and cooler weather we have moved from prohibited to restricted burning times in Manjimup, Pemberton and Quinninup, this means that permits are required and conditions apply. Please note that the

restricted burning season for Zone 6 Northcliffe and Walpole has been extended to the 26 April 2019.

#### Easter and Anzac Day

Easter and Anzac Day fall close together this year and with the excitement of public holidays it is easy to forget the significance of both of these events. You are encouraged to attend an Anzac service near you and commemorate the sacrifices given for our freedom.

#### Graphite/Perup Road Intersection

Traffic is now using the new layout of the Graphite/Perup Road intersection, with works still continuing on the site, you are encouraged to proceed with caution around the area until the final seal and line marking is completed. The new layout will be a significant safety improvement.

#### Footy Season

I would like to wish all teams the best of luck for the 2019 footy season.

*Until next time.... Paul*

## Unique Naming Opportunity

Do you want to leave a legacy in Manjimup?

A fantastic opportunity is now available for local residents and exhibition stakeholders to name the new Manjimup Heritage Park Museum. The museum will open in December 2019.

The new Museum is an exciting, modern and fun interactive exhibition that unravels the journey of electricity in Western Australia. With an illustrated focus on the South West it will connect visitors to the stories and science behind the 'generation, transmission and distribution of electricity' in Western Australia.

It is very exciting to have the opportunity to create a world class museum to house a heritage exhibit of national significance. As such we invite our residents and exhibition stakeholders to share in the opportunity to name our new Museum.
