Road Safety Consultation

A forum was held in Manjimup on Friday 26 July allowing people to have their say on the future of road safety in Western Australia. The Road Safety Commission are holding a series of community and stakeholder forums inviting all road users to participate in group activities and discussion based on the Safe System approach to Road Safety and the Imagine Zero consultation paper.

Discussions focus on what community members believe should be included in the new road safety strategy to help reduce road trauma.

If you didn't make the forum you can still have your say via the Imagine Zero Consultation Paper until 30 September 2019.

Your feedback will assist the Road Safety Council in preparing a recommended road safety strategy beyond 2020 for the WA government to consider.

NAIDOC and Reconciliation Action Plan

The Aboriginal Flag was raised in front of the Administration Office to celebrate NAIDOC week and will now remain permanently in place. The Shire has commenced development of its first Reconciliation Action Plan (RAP). The aim of a RAP is to develop respectful relationships and create meaningful opportunities with Aboriginal and Torres Strait Islander peoples, with the ultimate aim being to advance the five pillars of reconciliation; race, relations, equality and equity, institutional integrity, unity and historical acceptance.

Until next time.... Paul

Ranger and Emergency Services

Rangers have had a lot of success rehoming a number of kittens over the last month due to posting on social media with photos.
They also had a successful reunion of a lost dog from Cranbrook area that fell off a ute in Northcliffe. They were able to reunite him with his owners due to the dog being microchipped, this showcases the importance of all pets being microchipped.
Cat traps are still in high demand by members of the public due to nuisance cats. As a result there now is a wait list for cat trap requests and a minimum wait of one to two weeks.
Several dogs have been impounded, but have now been collected by their owners.
