With Summer now giving way to Autumn and cooler weather we have moved from prohibited to restricted burning times in Manjimup, Pemberton and Quinninup, this means that permits are required and conditions apply.

**Easter and Anzac Day**

Easter and Anzac Day fall close together this year and with the excitement of public holidays it is easy to forget the significance of both of these events. You are encouraged to attend an Anzac service near you and commemorate the sacrifices given for our freedom.

**Footy Season**

I would like to wish all teams the best of luck for the 2019 footy season.

**Unique Naming Opportunity**

**Do you want to leave a legacy in Manjimup?**

A fantastic opportunity is now available for local residents and exhibition stakeholders to name **the new Manjimup Heritage Park Museum**. The museum will open in December 2019.

The new Museum is an exciting, modern and fun interactive exhibition that unravels the journey of electricity in Western Australia. With an illustrated focus on the South West it will connect visitors to the stories and science behind the **'generation, transmission and distribution of electricity'** in Western Australia.

It is very exciting to have the opportunity to create a world class museum to house a heritage exhibit of national significance. As such we invite our residents and exhibition stakeholders to share in the opportunity to name our new Museum.
