

Shire President's Message

Manjimup Heritage Park open day.

An enormous amount of work has been undertaken at the Manjimup Heritage Park over the past two years as part of the Manjimup Town Centre Revitalisation Project.

You are invited to join us on 22 February 2020 to celebrate not only the transformation of the park into a vibrant multipurpose attraction but also to celebrate our heritage as the park represents it.

The transformation of the Heritage Park has included:

- the refurbishment of the State Timber Museum;
- building and fitout of the PowerUp Electricity Museum, including the new PARK café and the relocation of the Visitor Centre;
- construction of car parking and accessible pathways throughout the park;
- creation of the rail relics display;
- refurbishments throughout the Historic Hamlet including access ramps, new pathways the addition of a blacksmith

- workshop and agricultural display shed;
- the construction of the Volunteer Hub;
- building of the Sandra Donovan Sound Shell;
- CCTV security cameras throughout the park; and
- extensive landscaping and interpretive signage.

The park is looking fantastic and is a wonderful place for events and gatherings with an abundance of information about our heritage. The PowerUp Electricity Museum which tells the story of the development of electricity in Western Australia is definitely worth a visit.

Back to School

With most of us now settled back into our normal routines following the Christmas and New Year period you are reminded that the new school year has also begun and to be mindful of the reduced speed zones around our schools.

Stay fire safe

With the devastating fires across the country over recent months I am thankful daily that we have not been directly affected by fire this season, I am also acutely aware of how quickly this can change so please remain diligent.

Until next time...Paul
