| Owner constructed crossovers that conform with Councils Crossover specifications may be eligible for a contribution from Council towards the cost of the <b>completed</b> crossover. A subsidy of 50% of the costs of the work up to a maximum value as stated will be paid to approved applications. (A crossover is that part of the driveway between the property boundary and the edge of the street/road). This contribution is provided for the first crossover only. |                                                                                                                                          |                                  |     |                                  |
