

APPLICABLE POLICY

This application and its requirements are governed by:

- Local Government (Uniform Local Provisions) Regulations 1996.
- Shire of Manjimup Standard Specifications for the Guidance in the Design and Construction of Urban and Rural Crossovers.

Pursuant to sections 12 and 15 of the Local Government (Uniform Local Provisions) Regulations 1996, approval is required for the construction of a crossover within a road reserve.

PRIVACY COLLECTION NOTICE

The Shire of Manjimup collects your personal information to process your request and provide services. We may disclose this information to relevant Shire staff, contractors, or other organisations where required to deliver services or meet legal obligations. This information is collected under the Local Government Act 1995 (WA) and other applicable laws. If you do not provide this information, we may be unable to process your request. For more information, or to access or correct your personal information, contact privacy@manjimup.wa.gov.au.

Important Information

- Submission of this application does not imply approval.
- Approval may be subject to assessment, inspection, applicable legislation, Shire policies, specifications and conditions.
- Additional information may be requested to assist in the assessment of this application.
- Incomplete applications may result in delays or the application being returned to the applicant.
- Please ensure all pages of this application and any required supporting documentation are submitted.

APPLICATION DETAILS

- Please ensure to check your crossover complies with the Shire's Standard Specification for the Guidance in the Design and Construction of Urban/Rural Crossovers, located on our website. Subsidy will only be paid to property owners whose crossovers conform to these guidelines.
- Subsidies are only available within 12 months after completion of works.

SUPPORTING INFORMATION

Please complete and submit this form, along with copies of contractor receipts or an estimation of costs if self-constructed.

FEES AND REBATES (2026-2027)

Owner constructed crossovers that conform with Councils Crossover specifications may be eligible for a contribution from Council towards the cost of the completed crossover. A subsidy of 50% of the costs of the work up to a maximum value as stated will be paid to approved applications. (A crossover is that part of the driveway between the property boundary and the edge of the street/road).

This contribution is provided for the first crossover only.

Description	Rebate
