Repair Café

Testimonials

Kim Mallari with her mended work pants.

“These pants were still new when the hems unravelled. I was unable to fix them as i’m not sewing savvy, so was unable to wear them.

The Repair Café fixed all that with a nifty hem repair from an expert seamstress!

I am once again able to wear my beloved work pants”

John Hallybone with his newly repaired jeans.

“I am very pleased with this Repair Café service; the volunteers did a great job on my jeans. I will be back to the Café again if I want something repaired”

“Marlena did a great job of replacing the zip in my skirt at the Repair Café!

It was so convenient to drop it off and pick it up on the same day, I will be using the Café for all my clothing repairs now!

I was more than happy to give a generous donation to the running of the Café as it saved me so much time and running around.”

“The Repair Café has given my super comfy sneakers a second life which I am very happy about. The soles kept coming away and were a tripping hazard, but now after a quick Café fix I can wear them once again.

I also had a belt mended with a new eyelet; so this is the second item of mine which has been given a new lease of life and been saved from landfill thanks to the Repair Café.
