APPENDIX - LIST OF AMENDMENTS	116

INTRODUCTION

The Delegations of Authority contained herein are made to the Chief Executive Officer pursuant to Section 5.42 of the *Local Government Act 1995* (the Act) and other Acts, where listed, some of these functions are hereby delegated by the Chief Executive Officer to Shire of Manjimup employees pursuant to Section 5.44 of that Act or other Acts. All delegations made by the Council under the Act (or other Acts) must be by **absolute majority** decision where required.

The Act provides that the following are decisions that cannot be delegated to the Chief Executive Officer:

- Any power or duty that requires a decision of an absolute majority or 75% majority of the local government.
- Accepting a tender which exceeds an amount determined by the local government.
- Appointing an auditor.
- Acquiring or disposing of any property valued at an amount determined by the local government.
- Any of the local government's powers under Sections 5.98, 5.99 and 5.100 of the Act.
- Borrowing money on behalf of the local government.
- Hearing or determining an objection of a kind referred to in Section 9.5.
- The power under Section 9.49A (4) to authorise a person to sign documents on behalf of the local government.
- Any power or duty that requires the approval of the Minister or Governor.
- Such other duties or powers that may be prescribed by the Act.

The Act allows for the Chief Executive Officer to delegate any of their powers to another employee, this must be done in writing. The Act allows for the Chief Executive Officer to place conditions on any delegations if required.

A register of delegations, being this manual, relevant to the Chief Executive Officer and other employees is to be kept and reviewed at least once every financial year.

If a person is exercising a power or duty that they have been delegated, the Act requires them to keep necessary records to the exercise of the power or discharge of the duty. The written record is to contain:

- how the person exercised the power or discharged the duty;
- when the person exercised the power or discharged the duty; and
- the persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.

In addition to delegations made in accordance with the *Local Government Act 1995*, a number of delegations are also made to the Chief Executive Officer, or directly to other officers in some instances, in accordance with the provisions of other legislation. The aim of the delegated authority manual is to assist with improving the time taken

to make decisions within the constraints allowed by the relevant legislation. This is consistent with the Shire's commitment to a strong customer service focus. Business units responsible for a work process are to ensure that data is captured and records managed in accordance with all legislation, as well as preparing reports to Council where required under a specific delegation.

Each instrument of delegation describes the function being delegated and the relevant statutory reference which is the source of power for the exercise of the function. Also included is a reference to related documents such as policies of the Council which may provide guidance in the exercise of the delegation.

Transfer of Authority Due to Absence

Where an employee not named has been appointed by Council or by an employee authorised to make the appointment to act in a position to which the named employee is appointed, the authority shall transfer to the employee acting as appointed, for the duration of the authorisation.

Acting Through

The Act does not specifically define the meaning of the term 'acting through' however section 5.45(2) states;

"Nothing in this division is to be read as preventing –

- a) A local government from performing any of its functions by acting through a person other than the CEO; or
- b) A CEO from performing any of his or her functions by acting through another person."

The Department of Local Government & Communities Guideline No.17 - Delegations, establishes the principal issue in determining whether a statutory function or duty is suitable for 'acting through' is that, where the statute provides no discretion in carrying out a function or duty, then the function or duty may be undertaken through the 'acting through' concept.

Conversely, where the statute allows for discretion on the part of the decision maker, then the function must be:

- delegated; or,
- where applicable a person authorised; or,
- a policy implemented that provides sufficient control,

for another person to have that authority and fulfil the function or duty.

Where considered appropriate and effective in operation, discretionary matters will be determined by Council through policy. The policy decision may then be implemented by officers through the 'acting through' concept. In these instances, there is no need for a delegated authority as it is the responsibility of the CEO to implement the Shire's policies.

Standard Conditions of Delegations

All delegations are subject to the following conditions:

- In exercising a delegation, the Chief Executive Officer is to comply with any and all laws and regulations in force in Western Australia and the requirements of any and all laws and policies of the Shire of Manjimup.
- Delegated authority cannot be exercised where a financial interest or interest affecting impartiality is evident.
- In exercising a delegation, the Chief Executive Officer is to exercise the delegation in accordance with any budget authority where applicable.
