Ballot paper name	<b>MILES, Suzanne</b>
Candidate name	<b>Suzanne MILES</b>
District	<b>Shire of Manjimup</b>
Nominating for	<b>Councillor for Urban Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>MILES, Suzanne is eligible to stand for election as a resident of the Shire of Manjimup.</b>

I'm Suzanne Miles, a Manjimup community member since 2019, committed to the region's growth as a business owner, hands-on farmer, and parent.

I have worked in both blue-collar (agriculture) and white-collar (tourism marketing) jobs, which has given me a diverse skill set. With a new Shire CEO and Council Ward structure, I see a great opportunity for fresh ideas.

My top priority is transparent communication from Council. As an active listener I am keen to support solutions for all residents and ratepayers, not just those in my ward - this has driven decision to nominate.

I believe in safer roads, children & youth, sustainable agriculture, and supporting small businesses. We need to improve the quality of life for all residents, including vulnerable citizens.

I understand good Council governance, including budgets that fund the aspirations of our communities. If elected, I will ensure the Shire continues to flourish while respecting its rich history.
