## A message from our Shire President Cr Paul Omodei

2 May 2018

### Anzac Day

To me Anzac Day is the most important day in our history, as we take the time to thank service men and women past and present, and to appreciate the loss, heartache and pain of our families through war. A fantastic turnout to the dawn services in both across the Shire. Let's not forget.

### Grand Openings

On Friday 20 April 2018 we enjoyed the company of the Hon Adele Farina, and the Hon Terry Redman and Nerreda Hillier of LotteryWest in the Manjimup Timber Park for the opening of the Community Volunteer Hub, the accessible pathways in the hamlet and the Sandra Donovan Sound Shell.

Following the official opening of the sound shell the crowd was entertained by some of the astounding talent that we have in our region. Congratulations to the team involved in organising the event and also to all the performers on the night. I spoke with Sandra's mum Doris and her family for some time on Friday evening and they are very happy to see Sandra's dream of an entertainment venue come to fruition.

### Save our Camp Schools

The CEO and I attended a protest march in Bunbury earlier on Friday as part of an ongoing drive to change the State Government's decision to close camp schools. About 100 people attended the march from the Blair Street Foreshore to the Hon Adele Farina's office in Victoria Street, where Ms Farina assured us she would make our concerns known to the Premier.

### Unearthed Pemberton Festival

The 2018 Unearthed Pemberton Festival is currently running until 6 May 2018 and showcases the beauty and diversity of the Southern Forests through its food and wine, art, heritage and nature-based adventure. Pick up a programme around Pemberton now or visit the website

Until next time .... Paul

### Manjimup Town Centre Revitalisation Northern Roundabout

• Works on the new roundabout are expected to be completed in May or June 2018. Although the Highway is not closed to traffic motorists should expect some delays with temporary traffic signals in place.

### Manjin Rec Plaza

• Sadly due to unfavourable weather forecast for Saturday 21 April the official opening of the Manjin Recreation Plaza was cancelled. It is expected to be rescheduled for spring.

### Wellness & Respite Community Centre

• The Wellness and Respite Community Centre is very close to completion and the Home and Community Care team have moved in. The construction of the wellness centre has created substantial employment opportunities averaging eight local employees on site throughout the course of construction. There will be ongoing positions for 30 employees including support workers, home maintenance staff, administration, gardener, 30 volunteers and six more employees to be appointed shortly including registered and enrolled nurses and respite staff.

### Manjimup Timber and Heritage Park

• The Hon Adele Farina visited the park on Friday and officially opened the Volunteer Community Hub, the accessible pathways in the hamlet and the Sandra Donovan Sound Shell.

• The Forge has been completed in the Blacksmith Shop and wiring has been carried out, waiting on fittings.

• 90% of graphics for the State Timber Museum redevelopment have been completed and approved, pre-wiring complete, memorial area gutted with new structural steel installed and external boards washed down.

• The locomotive and williamette have been sandblasted and painted. Further design works for the area are being undertaken.
