A message from our Shire President Cr Paul Omodei

23 May 2018

With the Sandra Donovan Sound shell opening a few weeks back, the Wellness and Respite Community Centre opening, the new hospital nearing completion and the soon to be constructed SWEE building bringing some exciting new facilities to the Shire, we really are in a great place and forging ahead. Additionally the recent success of events such as the Unearthed Pemberton Festival, the record number of 378 cyclists at this year's Karri Cup, the Targa Rally, the upcoming Manjimup 15000 Motocross and the Truffle Kerfuffle it is a very exciting time.

Wildcards Exhibition

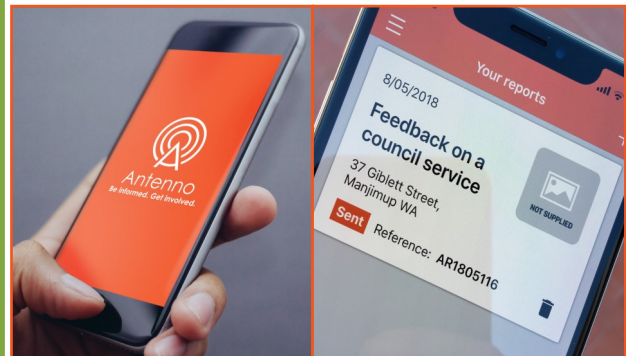

I recently opened the Wildcards Exhibition at the Manjimup Art Gallery. The exhibition is a culmination of works by local artists Anna Czerkasow, Dan Robertson, Fay Dunstan, Julie Cox, Kimberley Rose-Jones, and Sue Bradshaw. I am continually awed by the talent that we have in the region from both the visual arts and the performing arts. All pieces are for sale, with many already sold, and will be on display until 26 May 2018.

Councillor Bavich Resigns

At the Council meeting on 3 May 2018 Cr Dean Bavich announced his resignation from Council. Cr Bavich has served the North Ward since 2010 and was Deputy Shire President for 4 years. We will miss Cr Bavich's input as a Shire Councillor and wish him well in his relocation and new vocation.

Antenno Reporting Feature

I have been an avid supporter of the Antenno App since its inception in July last year. What a great way to keep people informed of activities and services around the Shire. The App has now taken on a fantastic new upgrade which allows users to report incidents and issues to the Shire directly from the App, including information and photographs.

Until next time Paul

Manjimup Lawn Cemetery

The area surrounding the Manjimup Lawn Cemetery niche wall is currently being rejuvenated. This will provide a more suitable space for reflection and contemplation at the cemetery. Please take care when visiting the Lawn Cemetery niche wall whilst works are being conducted. Below is a image similar to the new installation.
