24 January 2018

Happy New Year

Happy new year to all residents and visitors in the Shire.

Cherry Harmony Festival

Congratulations to the Cherry Harmony Festival Committee and everyone involved on the success of the 2017 festival. Every year the festival gets bigger and better. It may have only been a few weeks but planning is already underway for next year's event.

Southern Forests SEED Program

The Southern Forests SEED Program has now wrapped up with a final report released on 12 December by YouthInsights. The report tells a lot about how we can entice young people into the agricultural industry and I commend Stephanie Carstairs on a very successful program.

Australia Day

The Shire's Australia Day Celebrations and Citizen of the Year Ceremony will be held in Pioneer Park in Walpole on Australia Day, Friday 26 January 2018. We certainly do live in the lucky country and I encourage you to attend and join in the spirit of the day, reflect on being Australian, celebrate contemporary Australia and recognise our history.

Safe driving tips

In an effort to help visitors to the area understand the dangers of driving on country roads the Shire has again launched safe driving tips information sheets. These are available in nine different languages on the Shire's website and via the facebook page.

Pemberton Camp School

It is with dismay that we learn of the closure of the Pemberton Camp School. We will be writing to the Premier, the Minister for Education and our local members, and intend to do everything within our power to reverse the decision.

Until next time Paul

RECYCLE YOUR OLD
MOBILE AND DO
SOME GOOD!

Mobile for a Meal!

Recycle your old mobile phone. The shire is participating in the Mobile for a Meal campaign being run by MobileMuster and OzHarvest. Each old mobile sent in for recycling over summer will be matched

by a meal for someone in need. The Shire of Manjimup has sent more than fifty old mobile phones brought in by residents to be recycled, and in the process provided a Christmas meal for over fifty needy people. Mobile for a Meal runs until the end of February 2018. Drop your old mobiles off in the MobileMuster box at any Shire Library, Shire waste facilities, the Aqua-Centre or the Manjimup Shire Depot. Diverting waste from our landfill is a great way to make your own contribution to a more sustainable Shire.

For more information on MobileMuster visit the website <https://www.mobilemuster.com.au/>
