SHIRE OF MANJIMUP

June 2020

A message from your Shire President Cr Paul Omodei

COVID-19

I would like to thank everybody for complying with the Government's COVID-19 restrictions and requirements, it is your effort and diligence that has seen no cases in our Shire. If WA continues it's great record we will be seeing restrictions lifted and social and recreation facilities returning to a new normal.

Don't forget to shop local, our local businesses are suffering, some have found innovative ways to continue their valuable service to our community, so whether its physical, electronic or drive-thru, please support them, so that they can continue to serve us in the future.

Our strong community will bounce back from this as we have done in the past, the angst in the community when the timber industry was reduced was high, but look at us now! This is another point in time where we need to help each other through a difficult situation.

Council has committed to zero percent rate rise for the 2020/21 financial year, a freeze on fees and charges increases and a freeze on penalty interest for ratepayers on installment or payment plans.

Brockman Street

In partnership with Light Application, a premier lighting designer and supplier in Western Australia, the Shire will light up the Brockman Street Food and Beverage Precinct each night from 5pm to 8pm in an active display of vibrant colours changing daily over the next

three months, starting with a tribute to health and other frontline COVID-19 workers.

Many people in our region, including large numbers on Temporary Working Visas, have family and friends around the world fighting the pandemic in COVID-19 strongholds and whilst our action is only symbolic, our message is that we are all in this together and together we will get through this.

Pemberton Community Precinct

The new Community Precinct Project will revitalise Pemberton's downtown area. The project will provide a fresh, fit-for purpose, centrally located, multi-functional space for residents to access a variety of important services and provide a home for eight local community groups and organisations.

Once complete, the cross-functional versatility of the precinct will enable residents to call in to download a government form, check their email, select a book while their children attend the weekly Rhyme and Story Time session, visit the memorabilia exhibition detailing the history of the RSL in the area, watch an artist at work or stop for a chat with a visiting tourist in the Visitor Centre.

Until next time stay well and safe... Paul
