SHIRE OF MANJIMUP

March 2020

A message from your Shire President Cr Paul Omodei

Manjimup Heritage Park open day

On Saturday 22 February about 1500 people emerged on the Manjimup Heritage Park to partake in the official opening celebrations of the new and revitalised park, museums, café and Visitor Centre.

The park has undergone an enormous transformation in the last two years and now sits as a grand welcome to the Shire from the northern entry.

There was an abundance of activity, stalls, food and entertainment for all ages and lots of positive feedback about the park and the town centre revitalisation project in general.

Well done to the organisers and volunteers for a successful event.

Community Grants

The Shire of Manjimup's annual community grants round for 2020-2021 is currently open, allowing another opportunity for community groups and organisations to seek funding for projects, events or activities.

Each year Council allocates up to 2% of the Shire's rates income back to the community by way of grants. Last year this equated to \$180,502

in cash support for local events, sporting clubs, community centres, art projects, community gardens, youth zones and more. The annual round of community grants is an extremely worthwhile exercise for organisations to seek funding.

Funding is available over four categories: events, community projects; financial assistance; and youth and chaplaincy. We know the funding can be essential to the success of community events and projects. If you think you have a worthy idea let us hear about it.

Events

The Southern Forests is the place to be in March with ten events scheduled across the Shire throughout the month. Something to suit everyone, for information on approved events within the Shire visit the 'What's On' page on the Shire website at www.manjimup.wa.gov.au/whatson
