## A message from your Shire President Cr Paul Omodei

### National Volunteer Week - 16 to 22 May

Volunteers are the heart and soul of our communities. The 16 to 22 May marks National Volunteer Week and what a wonderful network of volunteers we have amongst us. Thank you to each and every one of you, whether you are a first responder, an event organiser, a carer or someone just doing your thing quietly behind scenes. You truly make our communities better together.

### National Reconciliation Week - 27 May to 3 June

Be brave to make change this National Reconciliation Week. Council recently adopted the Shire of Manjimup's Reflect Reconciliation Action Plan.

With the purpose of raising cultural awareness for Aboriginal and Torres Strait Islander people, the plan is focused on building unity, equality, and acceptance within the community.

Use this National Reconciliation Week to learn about our shared history.

Make change and strengthen relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all our communities.

### Hard Waste Collection

Annual hard waste collections occur in May, this is a great opportunity for properties with regular domestic rubbish collection to clear out unwanted furniture, appliances and other domestic hard waste.

### COVID-19 - Pulse Oximeters

Local Governments around the State are assisting the Department of Health with the distribution of pulse oximeters to vulnerable members of the community to assist with COVID-19 preparedness.

Members of the community who are either pregnant; non-Aboriginal and over 65 or Aboriginal and over 50 can collect a free pulse oximeter from the Shire Administration building or the Pemberton, Northcliffe or Walpole Libraries.

Don't forget to also pick up the COVID-Ready home checklist and plan or download it from the Shire website. The completed checklist and plan contains vital information that can help your family, friends and medical professionals care for you and your family if you get very sick with COVID.
