SHIRE OF MANJIMUP

February 2023

PRESIDENT'S MESSAGE

Citizen of the Year Awards

The Shire's official Citizen of the Year awards were held in Pemberton on the 26 January 2023. It is always an honour for myself and fellow Councillors to participate in the presentation of certificates and awards to the citizen of the year nominees and awardees.

These awards are made possible by Auspire – the Australia Day Council of WA. Every year the Community Citizen of the Year Awards program gives local governments around the State the opportunity to acknowledge the contribution and celebrate community engagement of people within the community.

Congratulations to this year's awardees:

- Youth Citizen of the Year - Regan Marsh
- Senior Citizen of the Year Over 65 - Lynn Minchin
- Active Citizenship Community Group or Event - Rotary Club of Manjimup
- Citizen of the Year - Jodi Johnston

Thank you and congratulations to all nominees for the tireless work you do for your communities.

Election Transition Arrangements

Council recently made a decision on the Local Government Reform Election Transition Arrangements. Council opted to put forward a proposal for a two ward system with four councillors per ward plus a directly elected Shire President.

It is important to note that these changes are not instigated by the Shire. They follow an instruction from the Minister for Local Government in September 2022 giving Local Governments the choice of:

- A voluntary pathway, entailing a review to reduce the number of Councillors to between five and nine, review wards as a result of those changes, and phase in the changes over two election cycles: or

- The reform election pathway, where at the 2023 election; all Councillor positions are declared vacant, wards are abolished and the number of councillors is set based on reform proposals.

In September 2022 Council agreed to take the voluntary pathway. The decision we have now come upon is based on the recent Ward and Representation Review and what is believed to be the best outcome for our electors.

Regards Paul

COUNCIL HIGHLIGHTS

Ward and Representation Review

Following public consultation, a report was presented to Council on 19 January 2023. After taking into consideration various factors, Council agreed that the CEO report to the Local Government Advisory Board on the proposal to:

- Adopt eight councillors plus a directly elected Shire President.
- Adopt a two ward system with four councillors per ward.
- The current Central Ward becoming Urban Ward and all other wards combining into Rural Ward.

- Retain current councillors elected to 2025 as part of the transition.

The Local Government Advisory Board will then consider the report and make a recommendation to the Minister for Local Government for the next Council Election.
