SHIRE OF MANJIMUP

March 2024

SHIRE PRESIDENT'S MESSAGE

The Shire of Manjimup Community Grant round is now open. We have 96 community groups just in central Manjimup, this is your opportunity to apply for assistance for support from the Shire, so make the most of it! Check the Shire website or pop into the front counter for more information.

Have you downloaded the Antenna app?

Not only can you report faults within the Shire, photos can be attached and location pin pointed. You can be notified of your bin days, emergency warnings, fire bans and upcoming events, notifications of opportunities to comment on Shire matters and workshops to be involved in.

Manjimup Art Gallery has a magnificent exhibition at the moment, Richard Woldendorp – Aerial Impressions of a Complex Landscape, a series of photographs unedited and untouched – pop in and have a look.

Did you know Council meetings are open to the public? Do you have a question you would like to ask of the Council? Meeting dates are listed on the Shire website and meetings commence at 5:30pm. At the beginning of each Council meeting there is an opportunity for you to ask your question directly to Council and receive an answer – might be a better way than on social media. The March Council meeting will be held in Northcliffe on 14th at the Town Hall.

Finally, town visits, this month I will be in Pemberton from 9-11am and Walpole 1-3pm on Monday 4th March, yep the Public Holiday. April I'm back in Northcliffe and Quin nip.

Stay safe, looking forward to seeing you.

Donelle Buegge
(Shire President)

SHIRE NEWS

Windy Harbour Coastal Hazard Risk Management and Adaptation Plan (CHRMAP)

The Shire is involving the community in coastal planning at Windy Harbour. A CHRMAP is a strategic plan that assists decision makers to meet the challenges associated with coastal hazards including erosion and sea level rise over the next 100 years. A risk assessment has been undertaken for Windy Harbour which has identified assets possibly impacted. A workshop was held Wednesday 21 February 2024 to discuss adaptation preferences. Another consultation meeting will be held at Windy Harbour Friday 1 March 2024. The CHRMAP is due to be completed by June 2024.

National Reconciliation Week Street Banner Program

The Shire is taking part in the 2024 National Reconciliation Week Street Banner Program from 27th May to 3rd June.

Each year for National Reconciliation Week, hundreds of banners are flown in locations across WA featuring artwork by a WA Aboriginal artist.

The 2024 banners feature 'Mina Mina' by Aboriginal artist Benita Brown Nungurrayi.

The banners will be hung in the Shire's event banner frames in Manjimup, Pemberton, Northcliffe, and Walpole. Organisations can support the reconciliation movement by sponsoring a banner with their logo featured.

For more information, head to <https://shorturl.at/twHY5>. Sponsorship closes: 10 March.

Manjimup Art Gallery

Contours: Aerial Impressions of a Complex Landscape by Richard Woldendorp, AM

For almost 60 years, Richard Woldendorp used aerial photography to create stunning abstract art pieces inspired by Australia's unique landscape. 16 February to 22 March.

AquaCentre - Watch Around Water

Even though lifeguards are on duty at public pools, parents still have a crucial role to play in the supervision of children at these facilities. It's not about shifting responsibility, it's about working together to keep children safe.

- Under 5 - keep them at arms length.
- Under 10 - keep them in sight.
- Be aware of distractions.
- Be prepared.

Since the Watch Around Water program introduction in 2004 there have been no drowning deaths involving young children in public swimming pools in WA.
