

Shire President's Message

2018/2019 Financial Budget

At the meeting on 26 July 2018, Council adopted the 2018/2019 financial budget and approved a 3.45% rate rise. I assure ratepayers that any decision to increase rates is considered very carefully and is by no means a decision made just "on the night".

The budgeting process commences in March, when department managers are requested to put together capital items for request and a projection of operating expenses for the next financial year. This is scrutinised by the Coordinator of Finance, Director of Business and Senior Management Team before the first draft and estimate is produced. The first draft usually results in a totally unacceptable rise in rates if it was to go ahead. Then begins the process of cutting items off the capital list and looking at ways to reduce operating expenses. We also factor in other sources of income, this year rates income makes up only 21% of the Shire's revenue, with grants making up 24%, previous years surplus 24%, reserves 16%

and the balance from fees and charges.

There is a fine line between funding a budget that will deliver the necessary capital and operating costs that meets community expectations and maintaining a minimal rate rise.

The rate payer expectations and shire responsibilities are immense and often misunderstood, the population of the Shire is both diverse and dispersed. The Shire itself measures 7028km², of which approximately 83% is unrateable. Most WA local government authorities have their population predominantly based in one or two main town sites; however, the Shire of Manjimup has four main population centres, and seven other populated settlements, and encompasses a sealed road network of 512 kilometres and unsealed road network of 800 kilometres. A significant amount maintain, with a very limited income resource.

Finally all processes are and must be transparent, and I encourage you to take some time to understand the process and reasoning of decisions made by your Council. The public is welcome to attend all Council meetings and agenda's and minutes are available online.

Until next time ... Paul
