

Shire President's Message

obtaining \$200,000 in federal funding for biosecurity management of pests and weeds. The Shire was eligible for this funding as a drought affected (1-in-20 year rainfall deficiency) local council where agriculture is a primary driver for the economy. The project will target vertebrate pests and invasive environmental weeds that are having a high impact on drought affected areas within the Shire.

2019 Keep Australia Beautiful WA Tidy Towns Entry

The Shire, as a whole, is an entrant in the 2019 Keep Australia Beautiful WA Tidy Towns Sustainable Communities Awards Litter Prevention and Waste Management category, which recognises innovation and achievements in litter prevention, reducing and managing waste.

Until next time...Paul

Coastal Ward Councillor

Northcliffe Playground

The ageing playground at the Northcliffe Recreation Centre has had a major facelift thanks to the generosity of a LotteryWest grant valued at \$32,000, the Northcliffe Community Development Group, the Northcliffe Recreation Association, and the Shire of Manjimup. The new equipment consists of a large multi-climbing station and a double swing and rocker, making the playground more inviting to a wider age group.

Trail Bike Hub

In 2017 the Shire of Manjimup undertook a feasibility study to develop and position Manjimup as a Trail Bike Hub. The study found that there is a significant market for trail bike trails and that Manjimup is well positioned to become a Hub for trail bike riding. In January 2019, the Manjimup Trail Bike Hub Inc. was established to support the Manjimup Trail Bike Hub to become the region's main destination for trail bike riding.

Anybody interested in the project is encouraged to register their interest so that they can be kept up to date with the Hub's development and progress, particularly for when riders and businesses will be encouraged to get involved with the Hub themselves. People are also being encouraged to register their interest in the MTBH through an online questionnaire and to take part in a logo design competition.
