

Shire President's Message

Seasons Greetings

I wish everyone a safe, happy and joyous December and New Year period and thank you for your continued support over the last 12 months.

Please drive safely and patiently throughout the holiday period, with intrastate travel still very much in favour due to COVID 19 travel restrictions it is expected there will be considerably more traffic including caravans and campers on our roads throughout the school holiday period.

Australia Day 2022

Australia Day is not only a great day to celebrate our Country and what it means to live in Australia no matter your heritage, it is an important day to recognise the often unnoticed, but large contributions made by many community members, at the

presentation of the Community Citizen of the Year Awards. Come and join us in Walpole on Australia Day, Wednesday 26 January 2022 for the formal ceremony and presentation of awards.

Council Meetings 2022

The Council meeting dates for 2022 have been set and as per previous years, one Council meeting will take place in Pemberton, Northcliffe and Walpole. All meetings commence at 5:30pm.

Agendas are available on the Shire website on the Tuesday prior to the meeting.

Attending a Council meeting is a great way to gain an understanding of how decisions are made about our region.

Fire Season

We are now in restricted burning period for both zones.

The requirements of the firebreak notice 2021/2022 need to be in place by 11 December 2021 in Zone 8 - Manjimup, Pemberton and Quinpin and 18 December

2021 in Zone 6 - Northcliffe and Walpole. Rangers will commence inspections on the 12 and 19 of December 2021.

The penalty for non-compliance with the firebreak notice is \$5,000.

Timber Industry Transition

2022 is going to bring about challenges in light of the State Government's recent decision to end the native forest industry and Council will be working with our communities and stakeholders to ensure the best outcome for our region.

The CEO, Deputy Shire President and I recently hosted the Premier Mark McGowan and MLA Jane Kelsbie for a discussion on the Native Forestry Industry Just Transition Plan, including potential projects within the Warren Blackwood Alliance of Councils regions and the transition fund. The meeting was positive and has forged a relationship and dialogue with the State Government going forward.

Until next time Paul
