

**Shire President's Message**

day with great entertainment provided as well as the Shire's official Australia Day celebrations. Thank you and well done to the many people nominated for a citizen of the year award, and congratulations to the winners. Australia Day is about acknowledging and celebrating the contribution that every Australian makes to our country. From our Aboriginal and Torres Strait Islander people to those who have lived here for generations, to those who have come from all corners of the world to call our country home.

**Chief Executive Officer**

Congratulations to our Chief Executive Officer Andrew Campbell on achieving 25 years of service to the Shire. This is significant milestone for anyone to achieve. Andrew has developed a professional senior management team which provides for the good governance of the Shire. He has met the challenges of a Shire with four major towns and seven settlements and is recognised by his peers in local government as a professional local government leader. I look forward to a continued excellent working partnership with Andrew into the future.
