

Shire President's Message

COVID-19 - Pulse Oximeters

Local Governments around the State are assisting the Department of Health with the distribution of pulse oximeters to vulnerable members of the community to assist with COVID-19 preparedness.

Members of the community who are either pregnant; non-Aboriginal and over 65 or Aboriginal and over 50 can collect a free pulse oximeter from the Shire Administration building or the Pemberton, Northcliffe or Walpole Libraries.

Pulse oximeters are non-invasive, painless, handheld devices that measure a person's blood oxygen level and heart rate. These readings can be used by health practitioners to help manage the care of a COVID-19 positive person from their home.

Don't forget to also pick up the COVID-Ready home checklist and plan or download it from the Shire website. The completed checklist and plan contains vital information that can help your family, friends and medical professionals care for you and your family if you get very sick with COVID.

Bushfires

Recent electrical storms resulted in 12 fires across the Shire and we again thanks fire services personnel and volunteers for keeping lives and properties safe. The largest fire which started in Yeagarup will have burned approximately 12,000 hectares by the time it burns out.

Travel Safely

With two long weekends and school holidays during April, I urge all motorists to take care on our roads. The State is now open and people are travelling again. Allow extra time to get where ever you are going and be patient with other road users.

ANZAC Day

We commemorate 107 years of freedom on ANZAC day this year and as always pay our respects and give thanks to all the servicemen and women who have given and continue to give us this freedom. The current war in Ukraine is reminder of the horrors and hardships faced by armed services and civilians during war time. Spare a kind thought for the residents of Ukraine who are going through the horrors of war and the terrifying uncertainty of the futures of their families.

I wish you all a very happy Easter Paul

Pulse oximeter

- Are you non-Aboriginal and over 65?
- Are you Aboriginal and over 50?
- Are you pregnant?

If you answered YES to any of the above, pick up your free pulse oximeter from the Shire of Manjimup administration office.

Also now available at Pemberton, Northcliffe & Walpole Libraries.
