

Shire President's Message

Citizen of the Year Awards

About 150 people turned out in Northcliffe to join in the Shire's official Australia Day celebrations on Sunday 26 January 2020.

It was again an honour to present certificates and awards to the citizen of the year nominees, this year we had 18 individuals and six groups nominated across the four categories. My congratulations and thanks to all nominees for the tireless work you do for your communities. The deserving award recipients are pictured below.

Manjimup Heritage Park open day.

An enormous amount of work has been undertaken at the Manjimup Heritage Park over the past two years as part of the Manjimup Town Centre Revitalisation Project.

You are invited to join us on 22 February 2020 to celebrate not only the transformation of the park

into a vibrant multipurpose attraction but also to celebrate our heritage as the park represents it.

The park is looking fantastic and is a wonderful place for events and gatherings with an abundance of information about our heritage. The PowerUp Electricity Museum which tells the story of the development of electricity in Western Australia is definitely worth a visit.

Back to School

With most of us now settled back into our normal routines following the Christmas and New Year period you are reminded that the new school year has also begun and to be mindful of the reduced speed zones around our schools.

Stay fire safe

With the devastating fires across the country over recent months I am thankful daily that we have not been significantly affected by fire this season, I am also acutely aware of how quickly this can change so please remain diligent.

Until next time...Paul
