Australia Day

The Shire's Australia Day Celebrations and Citizen of the Year Ceremony will be held in Pioneer Park in Walpole on Australia Day, Wednesday 26 January 2022. We certainly do live in the lucky country and I encourage you to attend and join the in the spirit of the day, reflect on being Australian, celebrate contemporary Australia and recognise our history.

Congratulations to all nominees for the Citizen of the Year Awards. Join us at 10.30am for the announcements and presentations.

Dementia Friendly

The Shire was recently recognised and congratulated by Dementia Australia for its role in "working towards dementia friendly". The Shire has shown ongoing investment in the training and capabilities development of staff beyond foundational dementia awareness and understanding.

Dementia Australia are really impressed with how the Shire alliance has built partnerships with professionals and lived experience experts to ensure staff and local businesses gain a better understanding of the needs of people living with dementia and carers, and to improve language and business practice.

AquaCentre Gold

The Manjimup Regional AquaCentre has been re-endorsed and recognised as a Gold Waterwise Aquatic Centre for the 2020/2021 reporting year. The centre will be formally recognised at a Waterwise Recognition Breakfast in May 2022 and be given special mention for being a part of the program for over 5 years. Over the past five years many efforts have been made to reduce the wastage of water. The gold status was achieved due to water usage rates satisfying the requirements of key performance indicators set by Water Corporation.

Until next time Paul

Happy New Year

Congratulations to the Cherry Harmony Festival Committee and everyone involved on the success of the 2021 festival. The 20th anniversary of the festival is a fantastic milestone and certainly a testament to the determination and commitment of the committee and everyone involved. The festival is one of the largest events held in the Shire every year and brings a tremendous economic and tourism boost to the area.
