MANJIMUP REGIONAL
AquaCentre

Five reasons why the AquaCentre should be a must for every mother:

1. You can't take care of others until you take care of yourself. Stay healthy with a good fitness regime.
2. It's a social hub to connect, have fun and motivate with others.
3. Creche is fun for the kids. For new activities in the morning, we have you covered.
4. We are always here for you. Our opening hours ensure there is always a time to fit a workout into your busy schedule.
5. We're not that far away. Located adjacent to local schools makes it easy to get to after school drop off or before school pick up!
